

Menu of Additional Services

We have provided you with an illustration of our conveyancing fees and anticipated expenses associated with your proposed transaction. However, there can be certain circumstances where other additional services may be requested by you or required to fulfil your instructions.

For complete transparency, we set out below our fixed price menu of additional conveyancing services

In some instances it is not possible to give an indication of fees without first having seeing the paperwork, to determine what work needs to be carried out. We have listed that type of work separately below.
